**Pet Food:** Nutritious, well-balanced meals for pets, crafted from natural ingredients to promote overall wellness.

# The IndoFolk Process: Importing Made Simple

At IFW, we make importing from India easy and hassle-free. Our 8-step sourcing process ensures a seamless experience for our clients:

1

## Understanding Your Needs

We take the time to understand your specific requirements, from products to pricing, ensuring we deliver exactly what you need.

2

## Selecting the Right Suppliers

With our vast network, we research and vet 15-20 reliable suppliers, selecting the best fit for your products.

3

## Sampling & Feedback

Samples are coordinated with suppliers, thoroughly inspected, and sent to you for approval.

4

## Finalizing Orders

Once the sample is approved, we negotiate the best terms and place your order.

5

## Overseeing Production

We monitor production closely, ensuring quality standards are maintained throughout.

6

## Final Inspection

After production, we conduct a detailed product inspection and share the results with you.

7

## Shipping & Export

All documentation and customs clearance are handled by us, ensuring a smooth transition.

8

## Delivery to Your Doorstep

We manage the final leg of transportation and delivery, guaranteeing your products arrive safely, on time, and as expected.

With IndoFolk Wellness, your sourcing journey is smart, streamlined, and stress-free.
